

CFB PETAWAWA FRIDAY 27 JULY 2007

ROUND ROBIN – EVENT DESCRIPTION

STAND	EVENT	DESCRIPTION	SPONSORING UNIT	
1	MOCK TOWER	Individuals to be fitted into a harness hooked up to mock 'Parachute Risers' and dispatched out of a 33 foot high tower. The 'Risers' are, in turn, connected to a thick steel cable, allowing a 'jumper' to freely slide down its 200-foot length, being caught by awaiting personnel on an intervening hill.	3 RCR, 2 CMBG	
2	SMALL ARMS TRAINER	Individuals are encouraged to test their marksmanship skills as they match wits with Computer Generated Images, engaging targets with a variety of the latest of CF small Arms weapons.	ASU PETAWAWA	
3	RIFLE RANGE	Persons undergoing this Stand will be subject to a typical-snapshot in the life of a soldier as they hone their marksmanship skills on a live Small Arms Rifle Range.	2 CMBG
